

AIRSTRIP®

AIRSTRIP TO PRESENT AT 33RD ANNUAL JP MORGAN HEALTHCARE CONFERENCE TODAY

CEO Alan Portela is invited to speak at leading investor event for the 2nd year in a row

SAN ANTONIO, Texas – January 12, 2015 – [AirStrip®](#), the industry-leading provider of mobile clinical applications and mobile interoperability, will present at the 33rd Annual J.P. Morgan Healthcare Conference today at 4:00 P.M. PST (7:00 P.M. EST) in San Francisco, Calif.

For the second year in a row, [CEO Alan Portela](#) has been invited to speak at the conference, which is considered the largest and most established healthcare investor event. Portela will provide an update on recent company successes and product developments.

“AirStrip experienced its most successful year to date in 2014 by providing mobile clinical applications to thousands of new users, directly impacting the clinical workflows. AirStrip is also enabling a variety of telehealth, streaming analytics and population health management partnerships with its [AirStrip ONE®](#) platform, in addition to making substantial strides in the consumer and international spaces,” Portela noted. “We appreciate the opportunity to bring this distinguished conference of industry leaders up to date on how these developments can enable improved patient outcomes worldwide.”
